Time to launch your 2010 Marketing Calendar & Plan.

Join us for this hands on learning experience.

We will address 105+ marketing tools, how to use them, and start your 2010 Marketing Calendar.

PRESENTATION INSTRUCTED BY

Debbie Griffith Brown, Founder & CEO
Professional Network Connections

Implement a successful marketing strategy.
Defy conventional wisdom that you only succeed with a big marketing budget.

This seminar will introduce cost-effective ways to:

- Market products and services
- Increase sales
- Gain a competitive advantage over your competition
- Know how to successfully market your business
- Compete with larger and better financed competitors without having a huge marketing budget

Join us: Hands on Business Learning Experience. Come prepared to expand your boundaries of marketing possibilities for your specific business and industry in a fast paced, three hour, learning/work challenge. 105+ marketing tools will be presented as considerations for promoting your business. Expect to leave with a written, scheduled marketing calendar and plan for 2010.
